

## **Selected Written Comments from Student Evaluations**

Geog405 (Geographical Urban Issues)

"I really enjoyed the discussion in class. Dr. Tretter raised challenging questions and forced us to really think."

"Professor was very helpful, professor provided strong feedback."

"I thoroughly enjoyed this class, perhaps the most challenging and thought provoking of my college career."

Geog202 (Introduction to the Global Village)

"Instructor was very knowledgeable and taught us well, he had a passion for his subject."

"Tretter's ability to connect with students made the class easier to understand."

"Dr. Tretter was more than available to discuss topics outside of class, he was very approachable and a great asset."
